

6' x 6' Lacrosse Target Shot Assembly Instructions

PACKAGE CONTENTS:

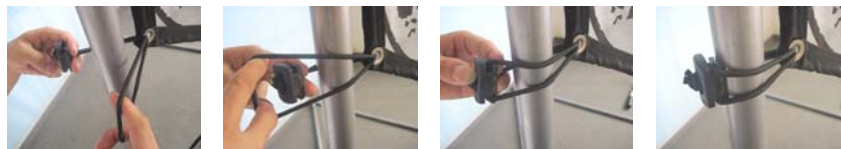

PHOTO	DESCRIPTION	QTY
	short bungee	14PCS
	target shot	1PCS

Steps:

1. Thread one short bungee through each metal grommet around the left, right, and top of the target shot.

2. Carefully wrap the short bungee cords around the lacrosse goal frame as shown in the pictures below.

CAUTION: Bungee cord net loops will be under tension and must be attached and/or detached carefully.

3. If assembled properly, the PRIMED logo will be in the bottom center as shown in the picture below.
